at the Oregon Museums Association
and Washington Museum Association
Joint Virtual Conference
September 13–15, 2021

Oregon Museums Association (OMA) and Washington Museum Association (WaMA) are excited to join forces to host our 2021 Conference: A Changed Landscape, A Changed Museum. The three-day virtual conference will be accompanied by in-person events occurring across both states (as public health regulations allow).

This past year changed us all, as we grappled with COVID-19, systemic racism, political strife, and climate change. We progress into 2021 with the news of vaccinations and re-openings, and with a new sense of hope. As we emerge into a changed landscape, we can use our re-opening momentum to become changed museums.
